How can I help the nonprofit?

Submit a video, vote on a video and/or hit the donate now button next to a video

Is there a specific amount of people that must be in the video?

No, but it must have at least two volunteers.

Can I submit more than one video?

Yes! Volunteers can submit a video every time two or more people serve. However, a tip: quality will always win out over quantity. Put your best efforts into videos that capture not just the volunteerism, but the spirit of the organization.
