Keeping Families Close

2016 ANNUAL REPORT

ANSWERING THE CALL

We began the year with a clear directive to expand our services, make a greater impact in our community and continue providing comfort and care to our families. We are proud to say, through your help, we answered the call!

Whether they traveled from Indiana, Washington or West Africa – nearly 5,000 families turned to the Ronald McDonald House in search of comfort, respite and support. When surveyed, **97% of respondents rated our services as “good” or “excellent” and 96% said their stay “improved their family’s experience while their child was in the hospital”**. On top of this, we awarded scholarships to 25 deserving high-school seniors and provided nearly \$125,000 in grant funding to community programs directly improving the lives of children.

Michelle

Michelle Study-Campbell,
Chief Executive Officer

David Peterson

David Peterson,
President of the Board

Our success gives us much to be proud of and we look toward the future with hope and excitement. House operations in 2017 continue to boom as we serve more families on our Riley campus than we did this time last year. Additionally, our expanded services now offer families stress-relieving activities such as art therapy, family game nights and snuggles with Mac, our four-legged Chief Cheer Officer and therapy dog.

Two years ago, we adopted a new vision statement to complement our mission: **Nurturing a community where children and their families embrace life and healing with a sense of hope, enthusiasm, courage and joy**. The steadfast support of partners like you helps us bring this vision to life each day. Thank you for your unwavering commitment to our House and the families we serve. Your support makes it possible to **keep families close** when they need it most and makes a difference in the lives of many each and every day.

OUR MISSION

We provide a supportive “home-away-from-home” for families of children receiving medical care at Riley Hospital for Children at IU Health and other area hospitals, and we champion programs that improve the health, education and well-being of children.

OUR VISION

Nurturing a community where children and their families embrace life and healing with a sense of hope, enthusiasm, courage and joy.

I CARE

- **Innovation:** We aim for continuous improvement to provide the highest level of comfort and care for our families.
- **Compassion:** We seek to listen, understand and serve.
- **Accountability:** We strive for the highest level of integrity and transparency with all of our partners and stakeholders.
- **Respect:** We treat all people with dignity, compassion and respect.
- **Excellence:** We embrace our mission and passionately commit to creating the best “home-away-from-home” for our families.

KEEPING CLOSE **WHEN IT MATTERS MOST**

Amanda and Ryan Steiner with their daughter Kala.

“The doctors tell us Kala is doing as well as she is because we stayed by her side. We attribute all of that to the Ronald McDonald House.”

- *Andrea, Kala's Mom*

At 23.5 weeks, Kala Steiner was born to Amanda and Ryan Steiner. Weighing just 1lb 5oz at birth, Kala spent nearly two months in the NICU in Terre Haute before she was stable enough to be transported to Riley Hospital for Children at Indiana University Health.

“We were told there was a 98% chance Kala would die,” said Ryan. “If Kala survived, there was a 98% chance she would be profoundly disabled.”

For the next three months, Ryan and Amanda found a home at the Ronald McDonald House while Kala was cared for in the neonatal intensive care unit (NICU). During this time, the couple relied on the comforts provided to them by the House to make it through each day.

To give back, Ryan now volunteers at the House and the couple often offers advice and comfort to new parents coming in for their first stay. The ability to share their story and help other parents who may be going through similar battles has been an invaluable experience for them.

ADOPT-A-ROOM PARTNERS

We believe that no family should ever have to worry about the cost of being at their child's side, especially when they are sick. We are deeply grateful to our room sponsors who help underwrite the cost of a family's lodging at a time when they need it most.

total hours of work

5,930

volunteers providing meals and service projects

\$845,851

value of hours worked

857 home-cooked meals

214 service projects

2016 COMMUNITY GRANT RECIPIENTS

Ronald McDonald House Charities of Central Indiana (RMHCCIN) extends its reach to the broader community by awarding grants to other 501(c)(3) local charitable organizations and programs that directly improve the lives of children.

Beneficiaries of RMHCCIN grants are local 501(c)(3) nonprofit organizations that have demonstrated an ability to respond to the needs of children and their families in a definitive, hands-on manner, yielding measurable results.

Congratulations 2016 Community Grant Recipients!:

TeenWorks
La Plaza
Peace Learning Center
United Negro College Fund
SON Ministries, Inc.
Starfish Initiative
Big Brothers Big Sisters
Teachers Treasurers
Indianapolis Symphony Orchestra

Hi, I'm Mac!

I'm the RMHCCIN Chief Cheer Officer. It's my job to spread love and comfort to our families all year long. I'm so lucky to see their smiles every day and it's all because of your love and support.

I spent the first six months of my life learning from the most amazing trainers at **Ultimate Canine** in Westfield, IN. They then generously donated me to the House.

If I'm feeling a little 'ruff', my friends at **Parkside Animal Hospital** have graciously offered to cover all of my veterinary services. To help me always look my best, Tim and his crew at **Cleopatra Luxury Pet Services** have also donated their services whenever I'm in need of some VIP (very important puppy) treatment. Lastly, my new friends at **Defenders** have offered their assistance to me in my community outreach program. With the help of these four giving companies, my friends at RMHCCIN can focus on keeping families close!

2016 SCHOLARSHIP RECIPIENTS

RMHCCIN recognizes the importance of continuing education and the expenses associated with obtaining a college degree. To assist with college finances, RMHCCIN awarded 25 Central Indiana high school seniors each with a \$5,000 scholarship. The scholarship recipients were selected based on their academic achievements, community involvement and financial need.

Congratulations 2016 Scholarship Award Recipients!:

CORNERSTONE SOCIETY

The Cornerstone Society was formed to recognize individuals who have included Ronald McDonald House Charities of Central Indiana (RMHCCIN) in their estate plans or a planned gift (such as a gift of life insurance, charitable gift annuity, etc.). Through generous arrangements that name RMHCCIN a beneficiary of a planned gift or estate plan, Cornerstone Society members create ways to achieve their own financial goals while providing RMHCCIN with much-needed support for the future.

A PLACE OF **RESPIRE**

Soeuba Baba knew during pregnancy her daughter, Salima, had a rare heart condition. Stunted growth, labored breathing and chronic sickness led to Salima needing heart surgery at just four-months-old. The pediatrician treating Salima in her West African country of Togo recommended treatment in the US, specifically at Riley Children's Hospital.

The Ronald McDonald House served as home to Soeuba and Salima for three weeks after the surgery. The heart of every home is the kitchen and Salima and Soeuba found their hearts (and their stomachs!) right at home in the Ronald McDonald House's kitchen. As a Togolese baker, having access to a place where she could cook meals with familiar ingredients made Soeuba feel more comfortable and less like she was living thousands of miles from home. Meals prepared by volunteers at the House were also appreciated by the family. Hamburgers quickly became a favorite American food of Salima and Soeuba.

Salimatou, and her mother, Soeubatou at the Ronald McDonald House.

"My daughter has done a 180," said Soeuba. "I am very happy to see how her life has totally changed. Every time I see my baby moving more and more, I thank God and everyone at Riley and the Ronald McDonald House who helped us."

“When you are worried about your daughter's health since before she was born, you do not get much sleep. The Ronald McDonald House was a quiet place where both Salima and I were finally able to rest. I am overwhelmed and grateful for the experience.

- Soeuba, Salima's Mom

THE HOUSE THAT **LOVE** BUILT

Since 1982, Ronald McDonald House Charities of Central Indiana has been keeping families together and providing the care they need when it matters most.

With two locations on the IUPUI campus and inside Riley Hospital for Children at IU Health, the Ronald McDonald House offers guest families:

- Close proximity to their hospitalized children
- A comfortable place to sleep
- Home-cooked meals and fully-equipped family-style kitchens
- Gathering areas for families to relax
- Laundry facilities and WiFi access
- Ongoing support from volunteers, staff and other families
